<https://ombudsman-fuer-die-wissenschaft.de/6201/ombudsstellen-in-deutschland/>

Dr. Hjørdis Czesnick, German Research Ombudsman, National Office, Berlin (Ombudsman für die Wissenschaft). Dr. Czesnick is the head of the national secretariate serving the national Ombudsman Committee (called "Ombudsgremium") under the leadership of professor in law, Prof. Dr. Stephan Rixen. Every other year, the national office organizes a conference for the more than 700 local science ombuds (called "Ombudspersonen") at all research institutions in Germany.

Helga Nolte, Ombuds Office at the University of Hamburg (Ombudsstelle der Universität Hamburg). Mrs. Nolte leads the ombuds office of the University of Hamburg which serves the University Ombuds Committee under the leadership of professor in economics, Prof. Dr. Miriam Beblo. Furthermore, she is mediator and coach, and teacher for PhD-workshops of Research Integrity .
